

Home Laminator

Mars (A4)

Mars (A3)

MARS A3

The Fellowes® MARS Home Laminator

- Offers numerous laminating possibilities with minimal adjustment in a user-friendly design
- Perfectly suited for occasional use at home.
- Single temperature setting for laminating **75 and 80 micron** hot pouches
- Designed for A4/A3 size applications up to 220mm/330mm wide
- Heats up in just 7 minutes and completes an A4 size lamination in less than 1 minute
- Attractive gloss white, wipe clean surface makes this the ideal home laminating solution
- Advanced temperature control for consistent lamination quality and anti-jam design for best results
- Visual indicators clearly signal when the laminator is ready to use
- Compact size for easy storage
- Carry handle for portability
