DESIGNED TO WORK

# Quality Consumables

To complement our innovative series of Binding and Laminating machines, we at Fellowes drew upon our experience and the latest market research to create a range of quality consumables. They are not only manufactured to the highest standards but also feature refreshing new pack

designs.

And that's not all – we have also developed a revolutionary new naming strategy for our laminating consumables that makes identifying the most suitable pouch easier than ever – even for inexperienced users.
