## Venus A3

Ref: 5702001

- Laminates up to A3 size paper for increased flexibility
- Preheated 4 roller technology guarantees high quality lamination results
- Clear low-friction path for documents to pass through ensuring the laminator is 100% Jam Free
- HeatGuard™ - patented safety system reduces surface temperature by up to 50% ensuring the laminator is always safe to touch.
- Easi-Access mechanism allows user to open the machine for cleaning and maintenance of the rollers ensuring consistent, high quality lamination.
- Sleep Mode is activated after periods of inactivity, reducing energy consumption and ensuring safe operation at all times
- LCD display with advanced functions to guide users through the laminating process with ease
- Manual reverse function ensures safe operation at all times
- Active cooling system enables rapid shifts from hot to cooler settings
- Audio and visual indicators clearly signal when ready to laminate
- Side carry handles for easy transportation

### Product Features

Item Number	5702001
Usage	Frequent
Pouch Thickness (mic)	80-250 microns
Warm-up Time	4 minutes
Entry Width (mm)	330
Temperature Settings	5 + Variable
Photo Capable	Yes
Adjustable Speed	No
Mounting Board Capable	No
Cold Lamination	Yes
Carrier Required	No
Number of Rollers	4
Item Weight (kgs)	6.8
Easy-Access System	Yes
Auto-Lam Technology	Yes
Retail Pack Dimensions H x W x D (mm)	312.00 x 624.00 x 198.00
Units per Master Carton	1
Retail Pack Weight (kg)	8.34
SCS	50043859511148
UPC Code	043859511143
CRC	57020
EAN Code	043859511143
