Voyager A3

Ref: 5704201

- Laminates up to A3 size paper for increased flexibility
- Unique heated belt-driven technology for ultimate jam-proof laminating
- The only laminator that allows instant changes between different pouches without heat-up or cool-down time
- The laminator has hot-swap technology which means it can accept different pouch thicknesses immediately without the need to wait until it has heated up or cooled down
- AutoLam™ pouch detection and speed adjustment automatically finds the optimum speed / heat variables for different pouch and document combinations. It allows instant changes between pouch types and guarantees the best lamination results.
- HeatGuard™ - patented safety system reduces surface temperature by up to 50% ensuring the laminator is always safe to touch.
- Easi-Access mechanism allows user to open the machine for cleaning and maintenance of the rollers ensuring consistent, high quality lamination.
- CleanMe™ auto-glue sensor – patented system warns the user to clean glue or dirt off the laminator belt.
- Sleep Mode is activated after periods of inactivity, reducing energy consumption and ensuring safe operation at all times
- Adjustable entry guide supports items on entry to avoid mis-feeds
- LCD display with advanced functions to guide users through the laminating process with ease
- Auto-reverse function detects mis-feeds and overloads to prevent paper jams and ensures safe operation
- Automatic temperature setting for ease of use
- Active cooling system enables rapid shifts from hot to cooler settings
- Audio and visual indicators clearly signal when ready to laminate
- Side carry handles for easy transportation

Product Features

Item Number	5704201
Usage	Professional
Pouch Thickness (mic)	250
Warm-up Time	4 minutes
Temperature Settings	Automatic
Photo Capable	Yes
Adjustable Speed	Yes
Carrier Required	No
Number of Rollers	Belt-driven technology
Item Weight (kgs)	10.51
Retail Pack Dimensions H x W x D (mm)	252.00 x 730.00 x 292.00
Units per Master Carton	1
Retail Pack Weight (kg)	12.06
SCS	50043859568814
UPC Code	043859568819
CRC	57042
EAN Code	043859568819
